First-Generation Camaro Research and Restoration Data. Q: When were the first-generation models built? A: First generation Camaros were built from the 1967 model year (starting with August 1966 production for the September 1966 model launch) through the 1969 model year. Note that the 1969 model year was an unusual one for Camaro, since it extended through November 1969, several months beyond ...
