Ultimately, a leaner finance function will reduce costs, increase quality, and better align corporate responsibilities, both within the finance function and between finance and other departments.

### **Toward a leaner finance department | McKinsey**

Ah, here we are, the ever-popular debate on the pros vs the cons of corporate card programs! Why should businesses allow employees to have corporate cards? Some feel that they have the potential to increase the organization's financial exposure, risk employees racking up large bills, and are potentially tricky for finance teams to both implement and manage on an ongoing basis.
