Plan Colombia was the name of a United States foreign aid, military and diplomatic initiative aimed at combating Colombian drug cartels and left-wing insurgent groups in Colombia. The plan was originally conceived in 1999 by the administrations of Colombian President Andrés Pastrana and U.S. President Bill Clinton, and signed into law by the United States in 2000.

The Llangollen Canal (Welsh: Camlas Llangollen) is a navigable canal crossing the border between England and Wales. The waterway links Llangollen in Denbighshire, north Wales, with Hurleston in south Cheshire, via the town of Ellesmere, Shropshire. The name, which was coined in the 1980s, is a modern designation for parts of the historic Ellesmere Canal and the Llangollen navigable feeder, both ...

Climate change promises, and even now is delivering more frequent and intense storms. These heavy rains will wash more pollutants from the land. Computer modeling by the Chesapeake Bay Program suggests 9 million more pounds of nitrogen will wash into the Bay due to climate change and 500,000 pounds of phosphorus.

Our nation was born as the first great experiment in modern democracy. We seek to rescue that heritage from the erosion of citizen participation. Moreover, we seek to dissolve the grip of the ideology, intoned by big-money interests for more than twenty years, that government is intrinsically undesirable and destructive of liberty and that elected officials should rightly "starve the beast" by ...
